Attachments: [Expected GM Sufficient Data Dates at GMID Sites FY14 Through FY19.docx](#)
[Region 6 GWMC Mar2016.docx](#)

Please let me know if the estimates for your sites are Ok or if the FY needs to change. Also let me know if I left out one of your sites that should be included.

One of the attachments is the estimate of when you will have sufficient data. The other one is when you may actually be able to make a determination.

Please provide your estimate by COB Tuesday. Thanks for your help. CAS
